Anne Arundel Soil Conservation Board of Supervisors

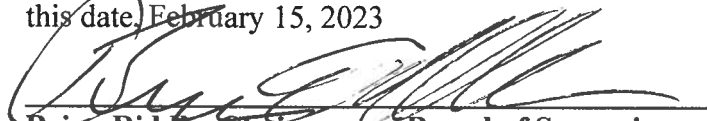

Resolution 2023-2

AGRICULTURAL POND ASSISTANCE

Effective January 1, 2023, the Maryland Department of the Environment's new policy for both urban and agricultural ponds was implemented. Due to the additional requirements for the construction of agricultural ponds the Anne Arundel Soil Conservation District will no longer be designing agricultural pond for cooperators unless they meet the requirements for financial assistance through federal or state cost share programs.

Agricultural Ponds

Affirmed by the Anne Arundel Soil
Conservation District Board of Supervisors
this date, February 15, 2023

Brian Riddle, Chairperson, Board of Supervisor
