SECTION III - APPLICANT/AGREEMENT

Public Information Notice – The principle purpose for which the information on this application is used to identify you as one of those persons whom the agency intends to give State cost-share funds. If you fail to provide the requested information, MDA may not provide you with cost-share funds. You have the right to inspect, amend, or correct personal information collected by the agency. Much of the personal information collected by the agency is available for public inspection. This information is not routinely shared with state, federal, or local government agencies.

CERTIFICATION: I request cost-sharing under this program to address a potential nutrient management/water quality problem. I agree to comply with the requirements as outlined in the 2023/2024 Cover Crop Program Requirements and Agreement. I have read the program guidelines and understand the steps involved for approval. I understand I am not approved for cost-share funds until I have received a letter of approval and a signed and dated copy of my Application/Agreement from the Maryland Department of Agriculture. If at any time program requirements are not met, the Agreement can be cancelled by the Department with no obligation to pay the applicant and any payments already made will be forfeited. I understand this Agreement may be terminated automatically, without liability to the Department or the District, if there are no available public funds under the program supporting this project.
